THE FARMERS ARE WISE

THEY KNOW--

- That the So-Called Home Rule is Saloon Rule.
- That the LIQUOR INTERESTS WANT TO DEFEAT STATE-WIDE PROHIBITION and nullify County Local Option.
- That these same interests hope to deceive dry voters so as to get a majority November 7th for the WET "HOME RULE AMENDMENT."

The Saloon Men's Fake "Home Rule Amendment" did not fool the Executive Committee of the Michigan State Grange.

The following resolution was adopted unanimously by the Executive Committee of the Michigan State Grange at a meeting held at Lansing, Sept. 6, 1916:--

WHEREAS, The President of an organization favoring the adoption of the so-called "Home Rule" Amendment, intended to destroy the present County Local Option system by providing a smaller unit for its application, has advertised himself as a "member of the State Grange" with the evident intention of carrying the inference that he represents the sentiment of the Michigan State Grange;

AND WHEREAS, The State Grange in all its annual sessions in recent years has by unanimous vote enthusiastically endorsed the County Local Option system and opposed the reduction of the unit to the township, village and city,

THEREFORE RESOLVED, By the Executive Committee of the State Grange, acting for and with the full authority of that body between its annual sessions, that the action of the said person is entirely out of harmony with the sentiment and intent of the State Grange and that until state-wide prohibition of the liquor traffic becomes an actual fact, we are unalterably opposed to any decrease in the unit of territory for local option below the county and call upon every member in our order and every lover of sobriety, good government and clean manhood to work earnestly and persistently from now until the polls close on the evening of November 7 against this misleading and pernicious measure, and we urge every voter to vote "NO" on this so-called "Home Rule" Amendment, which is but another attempt to destroy what we have already gained in the fight against the saloon.
